Purse/Bag Cables

£1.00

Designed to prevent bag dipping by securing valuable items to bags or clothing. In the event of an attempted theft, the gradual tensioning system will allow the cable to extend 10 times its original length. This means the victim will be less likely to be harmed or pulled over. Better alternative to a purse chain with an easy to use G clip attachment. Comes in 5 colours.

Please be advised the items below are on a made to order basis so may take longer to arrive than the products above.

Minder Hi-Vis Tags

£2.50

The Minder Hi-Vis Tags come in 10 trendy designs in a variety of colours which can be attached to bags, coats, bikes, scooters, etc, to increase the visibility of the wearer.

A more versatile alternative to Hi-Vis stickers as the Tags will not fall off, etc.

Available in Butterfly, Horse, Hearts, Skull & Bones, Lizard, Cat, Shark, Owl, Dragon & Lips

Ladybug Personal Safety Alarm

£9.00

The Minder Screaming Ladybug Alarm is unlike most other Personal Alarms on the market which use traditional alarm sirens upon activation. The Minder Ladybug Alarm uses an actual voice screaming for help. The noise is both very loud and extremely attention grabbing.

- Unique 130db Screaming Voice on activation
- Available in Blue, Yellow, Red, Green, Pink
- Separate Torch
- Flashing Light on Activation
