

University of Derby

We have a variety of [online sessions](#) that your Y12/13 students can access, including budgeting, finance, how to make choices, navigating the new digital university search etc.

Your students can also access our peer-to-peer network [Unibuddy](#) to speak to our current students.

We've got a good selection of material, our overall virtual Open Day is here:
<https://www.derby.ac.uk/virtual-open-days/derby/>

Our VC gives a general overall look at Derby it gives lots of great info on resources, graduate success etc
https://www.derby.ac.uk/virtual-open-days/derby/explore/life-in-derby/single/video_vice-chancellor-welcome-talk

Your students can take a tour, hear about accommodation and student life in Derbyshire:
https://www.derby.ac.uk/virtual-open-days/derby/explore/life-in-derby/single/video_student-life-in-derbyshire

In our subject specific sessions there are plenty of short videos to watch around subjects: for example

https://www.derby.ac.uk/virtual-open-days/derby/discover/biology-and-zoology/single/video_biology-and-zoology-at-the-university-of-derby there are dozens more to access there.
